

Want to know **more?**

Q: What is ARKANCE and Monnoyeur's commitment to sustainability and net zero?

The company and its subsidiaries are committed to supporting customers in their decarbonization journey through product and service offerings and working on the company decarbonization journey at group and subsidiary levels...

Q: How do we get our existing non-disclosure agreement / purchasing contract / supplier assessment updated?

There will be no requirement to update any existing agreements.

Q: How will our data now be processed? Does the wider group have access to our confidential data?

We are committed to upholding privacy regulations and data protection rules in every region we operate in, and will continue to ensure compliance with all relevant laws and standards. Individual entities retain ownership of any personal data processed for customers. The wider group will not have access to such data.

Q: Will any office locations or headquarters change?

Saint Denis will be the global head office. Regional office hierarchy will remain the same.

Q: Are there future acquisitions or investments planned? Will the business continue to focus on existing IP and product development?

The focus will shift from one of foot print to investing in solutions and businesses that expand the offering for our customers...
